Bookletpedia
Simplify Communication
#startupindia

WHO WE ARE?
Bookletpedia is a Government of India-recognized startup under the Startup India Scheme by the Department for Promotion of Industry and Internal Trade (DPIIT).

WHAT WE DO?
We partner with individuals, organizations, companies, and government agencies to design Information Education and Communication (IEC) materials keeping in mind the ground realities and building the capacity of the stakeholders.

A booklet on Nutrition for children in Marathi with PepsiCo Foundation

A poster on PRI-CBO convergence with Kudumbashree NRO

A pamphlet on Preventing Child Marriage with RMKM
